

Editorial Highlights for Journal of Plant Pathology & Microbiology

Kumar S *

Department of Biotechnology, Bapatla Engineering College, India

EDITORIAL NOTE

I am pleased to introduce Journal of Plant Pathology & Microbiology a rapid peer reviewed Journal which have a key concerns over the plant pathology practices by exploring the best pathological and plant related microbiological research and by exhibiting this information both directly, as pathological findings, and in practice oriented formats of direct application in day-to-day situations. I am pleased to announce that, all issues of volume 11 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journal of Plant Pathology & Microbiology aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based findings and analytical assessment of research and probably it is much in deed for students, teachers and scientific professionals to enhance the biological condition of plants.

The Journal of Plant Pathology & Microbiology is having a Journal Impact factor of 2.28 for 2019 with an Index Copernicus value of 66.97. Article of the journal are indexed and archived in world famous website like CAS Source Index (CASSI), Open J Gate, GenamicsJournalSeek, Academic Keys, JournalTOCs, CiteFactor, Ulrich's Periodicals Directory, RefSeek, Hamdard University, EBSCO A-Z, OCLC- WorldCat, Publons, Global Online Research in Agriculture (AGORA) and so on...

During the calendar year of 2019, Journal of Spine received a total of 84 manuscript, out of which 36 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 48 articles were subjected for publication after they are accepted by the editors in the peer review process. In the 12 issues of Volume 10 published during the year 2019, a total of 48 articles were

published (at an average of 4 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of three Editors, nine Reviewers joined the board of Journal of Plant Pathology & Microbiology and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

Journal of Plant Pathology & Microbiology also announces its new association with Longdom group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its website <https://www.longdom.org/plant-pathology-microbiology.html> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

Association with Longdom group has increased Readership Metrics (By Google Analytics) of Oral Health and Dental Management Journal which can be accessed at Google Analytics Metrics for the Journal of Plant Pathology & Microbiology (<https://www.longdom.org/plant-pathology-microbiology-online-visitors-readers-30.html>).

I take this opportunity to acknowledge the contribution of (Dr.Xiangyang Shi) during the review process of articles published and the support rendered by the editorial assistant, in bringing out issues of Journal in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of Journal of Plant Pathology & Microbiology, the office bearers for their support in bringing out yet another volume of Journal of Plant Pathology & Microbiology and look forward to their unrelenting support to bring out the Volume 11 of the journal in scheduled time.
